Topics	Discussions
Introduction	Welcome, Call to order at 6:45pm Adopted Minutes from September. Motioned - Bob, Seconded - Kelly
STANDING BUSINESS/REPORTS	
President	- Finalizing schedule with car club for next year. Very similar timing as this year, mainly May – Sept. - Have proposed running a 3rd racer school, that said breaking the offering into advanced rider training and racing for separate audiences. - Banquet went really well.
V.P.	No Update
Promotions	- Been reflecting and going through the changes that were made that worked well. - One key item to focus further on is the value the sponsors are getting to increase repeat sponsorship. - Motorbike show has been paid for and planning in the works. - Merch was a big success too and will order more of the stock we are low on.
Secretary	- Main focus on racer and new rider training programs, lots of outreach and interest. - Instructor manual revision in the works.
Treasurer	- Treasurer Report for September 2025 provided as separate file. - Trending to have a profit overall on the year! A great change and positive momentum ahead.
DISCUSSION POINTS	

Topics	Discussions
	• Car Show – Thinking the value there is less and shouldn't be a focus next year. We can do it if someone wants to take on but not a priority. • Marshall issues with 3 days in a row – Will need to look into scheduling and get some more people involved to breakup workload. • Western Canadian Championship – Perelli pulled funding due to issued with Edmonton last year, for now not planning one in 2026. • Next meeting will be November 3rd, 2025
Other Items	Motion to adjourn – Brett Seconded - Joseph Meeting adjourned at 7:25pm
